

99 PLACEMENT CONSULTANCY HIRING PROCESS

1. Requirement Collection

- Receive manpower requirements from the client.
- Understand the Job Description (JD), qualifications, experience, salary range, location, and hiring timeline.
- Gather complete hiring expectations and company requirements.

2. Candidate Sourcing

- Source candidates through job portals, social media platforms, references, and the internal database.
- Identify and shortlist profiles matching the client's requirements.

3. First Interview at 99 Placement Consultancy (Mandatory)

Every shortlisted candidate must attend the initial screening interview at 99 Placement Consultancy.

The screening interview will assess:

- Communication Skills
- Educational Background
- Work Experience
- Technical and Functional Knowledge
- Salary Expectations
- Notice Period
- Personality and Professional Attitude
- Overall Suitability for the Position

Mandatory Assessment Test (Score Board Evaluation)

Every candidate must also appear for a mandatory assessment test conducted by 99 Placement Consultancy.

The assessment test may include:

- Mathematics & Aptitude
- General Knowledge
- Current Affairs
- Logical Reasoning
- English Language Skills
- Computer Knowledge

- Basic Professional & Job-Related Knowledge

Based on the candidate's performance, a Score Board / Evaluation Report will be generated showing the percentage obtained in the assessment.

Only candidates who achieve the required score and successfully clear the screening interview will be recommended to the client.

The client's interview will be scheduled based on the candidate's overall evaluation and score percentage. This process helps ensure that only qualified and suitable candidates are forwarded for further consideration.

4. Client Interview Coordination

- Share shortlisted candidate profiles with the client.
- Schedule interviews as per the client's availability.
- Coordinate interview timings and provide all necessary details to candidates.

5. Interview Feedback & Follow-Up

- Collect feedback from both the client and candidate.
- Communicate interview outcomes.
- Coordinate additional interview rounds if required.

6. Salary Negotiation

- Discuss compensation expectations with the candidate.
- Facilitate salary negotiations between the client and candidate.
- Ensure mutual agreement on compensation and joining terms.

7. Offer Management

- Assist the client in issuing the offer letter.
- Explain offer details to the candidate.
- Obtain offer acceptance and required documentation.

8. Pre-Joining Follow-Up

- Maintain regular communication with the selected candidate.
- Track notice period progress and joining status.
- Resolve any concerns that may impact joining.

9. Candidate Joining

- Confirm successful joining with the client.
- Obtain joining confirmation and necessary documentation.

10. Post-Joining Follow-Up

- Follow up with both the candidate and client after joining.
- Ensure smooth onboarding and successful placement.
- Manage replacement or guarantee period requirements, if applicable.

Process Flow

Requirement Received → Candidate Sourcing → Mandatory Screening Interview at 99 Placement Consultancy → Assessment Test & Score Board Evaluation → Candidate Shortlisting → Client Interview → Feedback & Follow-Up → Salary Negotiation → Offer Letter → Pre-Joining Follow-Up → Joining → Post-Joining Support
